### Obstacle Course

Competitors navigate a course that focuses on precision as well as emotional control to demonstrate exposure to plausible scenarios encountered by a well-rounded horse.

### Basic Skills

Competitors demonstrate their horse's ability to handle tasks that are required to ensure proper care of the horse. Tasks like haltering, leading, picking up hooves, fly spray, loading, etc. These were submitted and judged via video submission and are available to review on each horse's Facebook page.

# Expo Adoptions

Please check in with the adoption team when you arrive as you will be notified of your time slot to visit the horse you would like to see.

Rideable horses can be tested in the round pen and we strongly encourage you to wear a riding helmet when you do so. If under the age of 17 years old, a helmet is required to ride a horse. All horses need to be taken home no later than 8pm on Saturday night or between 8am and 10am Sunday October 8th (if leaving overnight, it is adopter's responsibility to provide feed and water).

## Challenge Horses

Adoption fees are half off at the Expo!

Training Challenge competitors will be available to show you the horse and answer questions about them during designated times. Adopted horses can be taken home after the adoption is complete and the horse has competed in all events.

## Non-challenge Horses

Adoption fees are half price at the Expo..

Volunteers will be available to show the horses to you. Adopted horses can be taken home as soon as the contract is signed and adoption fee is paid.

# Many Thanks

The Bluebonnet Horse Expo requires months of planning, depending on the generosity of sponsors and donors, and engages an army of BEHS volunteers. Thank you to each and every individual who gave their time, talents, and resources to make this day a success.

## Expo Sponsors

Businesses and individuals who provide monetary contributions to make the Expo a reality are invaluable. Please review the sponsor lists and ads throughout this program and support these businesses. Let them know how much you appreciate their support of the Bluebonnet Horse Expo

## Training Challenge Judges

The equine professionals that judge our Training Challenge take on the tough task of assessing and scoring the Challenge participants. We are thankful for their time and expertise.

## BEHS Volunteers

BEHS volunteers are the heart of our organization. The Expo is only possible thanks to everyone who volunteers during the long planning months as well as those who put muscle to the on-site tasks required to ensure all Expo areas are staffed and managed throughout the day. The Expo is a huge undertaking and with our volunteers' support, it's always a great success. Thank you to everyone who helped make this event a reality.

## Shoppers

When you shop at the Expo, you not only find some great bargains, but you help us help horses in need. Your purchases provide funds that go towards veterinary care and other expenses that ensure our BEHS horses are well cared for and healthy. We appreciate you choosing to shop with us today.

## Training Challenge Sponsors

Through the support of Training Challenge Sponsors, many BEHS horses receive months of dedicated, professional training. This ensures that they are as prepared as possible to meet potential adopters here at the Expo.

We are grateful for these sponsors and appreciate the opportunity they afford our Training Challenge horses and participants.

## Clinicians

Each presenter at the Expo donates his or her time and talents to educate and entertain Expo attendees. We appreciate the vast knowledge they share during their presentations. When you see them, please let them know how much you enjoy and appreciate them being a part of the Expo.

## Donors

Donors are an integral component of the Expo. From the Sale Area, to the auctions, donors provide the items available for bid or purchase. These areas contribute greatly to the success of the Expo, and we are humbled by the quality and quantity of items donated. Thank you to everyone who donated sale and/or auction items to the Expo.

## Training Challenge Competitors

Challenge competitors foster a Bluebonnet rescue horse for a few months while providing training in order to prepare the horse for a successful adoption. Thank you to the competitors for their time, love, and compassion towards the horses.
