

## ***Bluebonnet Rescue Horse Training Challenge Sponsorship Program***

The Bluebonnet Rescue Horse Training Challenge is put on by Bluebonnet Equine Humane Society, 501(c)(3) organization dedicated to improving the lives of horses and other equines by educating and helping owners, assisting law enforcement agencies, rehabilitating abused horses and placing them into safe, permanent homes.

The goal of the Training Challenge is to help get training for the horses of Bluebonnet Equine Humane Society to make them more adoptable – but it is also to show the world that rescue horses can do anything “regular” horses can do.

The human competitors in the Training Challenge donate their skills and time to train the horses, and they also donate the costs of caring for their equine partner (hay, grain, tack, etc.).

We’re inviting you to become a Bluebonnet Rescue Horse Training Challenge Sponsor by either donating goods or money to the program. Sponsors enable us to put on the best possible Rescue Horse Training Challenge, awarding greater prizes and attracting more participants and helping more horses gain the skills they need to find forever homes.
